P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

In an Information Disclosure Statement filed on March 29, 2011, Applicants cited (on page 9 of 13 of the corresponding form PTO/SB/08) Japanese language document JP-62-223778-A ("the JP 778 document"). No English language abstract is available for the JP 778 document and the previously-filed Information Disclosure Statement did not include a concise explanation of the relevance of the JP 778 document, as required by 37 CFR § 1.98. The JP 778 document was cited in a Notice of Reasons for Rejection for related Japanese patent application No. 2007-511519. The Notice of Reasons for Rejection is listed on the attached PTO/SB/08, and a copy of the Notice of Reasons for Rejection is attached with an English language translation thereof.

Applicants respectfully request the Office to consider the previously-cited JP 778 document in view of the enclosed explanation of its relevance. Because Applicants are not requesting consideration of the Notice of Reasons for Rejection, and because the JP 778 document was already cited in the previously-filed Information Disclosure Statement, Applicants submit that no fees or petitions are due. However, the Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have
